

CHAPTER MEETINGS

### Meeting Agenda

- Kickoff and Welcome
- Technical Presentation
- Chapter Business and Hot Topics
- Feedback and Closing

The Charleston Lowcountry Chapter of INCOSE invites members and guests to attend our monthly chapter meeting. The technical presentation this month will feature **J. Keith McElveen, President and CTO** of **Wave Sciences Corp** in Charleston, SC.

Over the last thirty years, Mr. McElveen has developed many products and solutions for use in both government and commercial sectors. In particular, he has spent the last 20+ years specializing in forensic audio processing and signal separation related to hearing-in-noise applications. A graduate of Clemson University, he earned his MSEE and BSEE in 1986 and 1984, respectively. He served domestically and internationally in the US Federal Government during the Cold War and as an R&D consultant afterwards, before turning his attention to hearing assistive technologies for the hearing impaired. In addition to two awarded patents and six pending patents, he has been an invited speaker and lecturer at national and international conferences and symposiums, published in peer-reviewed journals and in various conference publications in the area of forensic signal processing, control systems, and speech processing for mobile applications, and is active in the Audio Engineering Society and the Institute for Electrical and Electronic Engineers.
